The Chapel on the Hill

Once an old Rustic stone dairy, these ruins have been restored into a beautiful wood & stone chapel. Situated on a hill, the chapel looks onto the game reserve and is often surrounded by antelope, zebra and wildebeest grazing the grassy plains. This provides spectacular views for guests to admire before and after the service. Our wooden cross makes a stunning back drop for the big first kiss as Mr & Mrs...

The Chapel seats up to 200 guests on lovely wooden pews, with a raised platform in the front where the bride & groom stand for the service. The open interior allows guests to absorb the natural and rustic feel of the Chapel and enjoy the natural beauty all around. The perfect place to say, "I DO!"

LIVE . ♥ .
LAKE ELAND

A photographer's dream

The game reserve provides a wide variety of beautiful settings for bridal party photos to be taken after the service. Rolling hills and landscapes provide a natural backdrop for photos, while old ruins provide a unique picturesque setting, from romantic photos to be taken of the bride & groom. The cliffs of the Oribi Gorge, and the suspension bridge and lookout points, provide breath taking views of the Gorge. You and your wedding guests are welcome to enjoy the reserve to the full and take as many photos wherever you'd like.

We have some very talented, professional, and amazing photographers to recommend. Your wedding Coordinator will provide all these details so that you are able to find the photographer that fits you, perfectly.

... because every picture tells a story ...
